Dear Friends,

We welcome you all to KSC-ASICON 2016 at Shivamogga to enjoy academic feast and Malnad hospitality; and also enjoy a vacation at "must visit places" near Shivamogga.

Reputed speakers and relevant surgical topics will be discussed. For the first time, we want to introduce "Master Videos" sessions, Debates and Clinical case discussion which will be of benefit to young surgeons and PG students. True to the theme **BASICS TO ADVANCES IN SURGERY**, we have gone back to some of the basic topics and at the same time kept some of the recent advances topics. We have left no stone unturned to make it an academic & cultural feast and a great vacation for the family.

We request you all to attend in large numbers and make the KSC-ASICON 2016 a grand success.

We look forward to meet you all here at Shivamogga.
