## **General Duties of all teaching faculty**

1. Undertake teaching of MBSS under graduates from 3<sup>rd</sup> term up to 9<sup>th</sup> term.
2. Providing clinical training to all House Surgeons for 45 days in surgical wards & O.T.
3. The whole department is divided into 3 unit (A.B.& C.). Each unit is allotted two OPD days and one minor OT day.
4. Every week about 25-30 elective surgeries & 5 to 6 emergencies take Place in Mcgann Hospital
5. MBBS Students are posted to surgery department for 5 sessions in different Semesters. More stress is laid upon teaching the basics of history taking and Clinical examination is arriving at diagnosis, rather on relying on hi-tech Investigations.
6. Interesting case presentations by faculty is Academic council meetings held every month on 3<sup>rd</sup> Thursday,
7. Applied for PG course is surgery. Awaiting inspection from MCI sometime next year (2013 January / February).
8. Black board teaching as well as modern power point methods in teaching theory used by all our staff.
9. Departmental meetings are held with the Director as Chairman regularly to review the progress of department, in terms of drugs availability, academic and research work, teaching time table, examination schedules, students attendance and progress report etc.,.
