Date: 27-11-2018

Notification

Shimoga Institute of Medical Sciences, Shimoga, has previously invited applications for various teaching posts and accordingly walk-in-interview was held on 09/03/2018.

The provisional selection list was published on 26/09/2018. 22 objections were filed to the provisional selection list. On verification, it was found out that there existed abnormalities in the notified reservations and roster points. Hence, the Government has cancelled the said notification for filling up the posts through Walk-in-Interview with a direction to call for applications afresh.

The same is brought to the notice of all the concerned.
